Education
Galgotias University, Greater Noida
B.Tech in Computer Science and Engineering (CGPA: 8) **2025**

Class 12
Sherwood academy, Uttar Pradesh (84%) July 2021

Class 10
career convent college ,Uttar Pradesh (70%) May 2019

Internship

Web Development Intern
INeuron , Delhi
Duration: July 2023 - September 2023

- Developed and maintained web applications using HTML, CSS, and JavaScript.
- Collaborated with team members to design and implement user interfaces.
- Integrated backend services and databases to enhance website functionality.
- Assisted in troubleshooting and debugging issues to ensure smooth website operation.

Projects

Movie Recommendations & Sentiment Analysis
GitHub Link

- Recommend movies based on user selection and movie overview similarity.
- Fetch movie posters and details from TMDb API.
- Display reviews for the selected movie and predict their sentiment using a pre-trained model.
- User-friendly interface with dropdowns, images, and color-coded sentiment analysis.

Email Spam Detection using Machine Learning
GitHub Link

- Built a machine learning-based system to detect email spam.
- Used algorithms such as Random Forest Classifier, Support Vector Classifier, and Multinomial Naive Bayes.
- Analyzed email content and attributes to distinguish between spam and non-spam messages.
- Trained on labeled email datasets and fine-tuned for optimal performance.
- Implemented within a user-friendly application or service.

Certifications

The Complete 2024 Web Development Bootcamp

Skills

Technical: Python, Java, MySQL, HTML, CSS, JavaScript
Libraries/Frameworks: Flask, Django, React
Libraries: NumPy, Pandas, Matplotlib
Database: MySQL, PostgreSQL, MongoDB
